

Sat Nav SO43 7NY to the car park

Community Centre – We are in the pine room  
Turn left when you pass through the doors and last room on the left

From the North (Cadnam) you will have to turn left at the traffic lights into the one way system, the entrance to the car park is almost immediately on your right. If you miss it then there is a second chance, keep right and after the right hand turn is a second alternative entrance

From Christchurch follow the road into the one way system but move into the right hand lane before the traffic lights and turn right into the car park immediately after the lights.

From Southampton shortly after you join the one way system, a hard left turn, filter right and look for the entrance to the car Park – if you miss it you will have to follow the one way right around to the traffic lights
