

NEW FOREST AVIATION GROUP

As a group of like minded people with an aviation interest we meet to listen to a speaker and to chat with friends during a tea break. Membership is open to anyone who has an interest in aviation and we welcome non members.

‘Barnes Wallis - Airships to Astrophysics’

by Peter Rix

Friday 14th September 2018

also

‘The Peoples Mosquito’ by Alan Pickford

Sir Barnes Wallis is best known for the bouncing bomb used in the dambusters raid but his inventions and science cover a far wider spectrum of activity and equipment.

A smaller development of the dambuster bomb was designed for use against shipping and was tested in the New Forest using Mosquitos hence our short second billing to introduce the project to return a UK-built Mosquito to our skies.

Lyndhurst Community Centre

Doors open 7pm for 7.30pm start

Visitors £4 Light refreshments included

Following Meeting – Friday 12th October 2018

"WW1 Submarines" by Chris Munns
