

Here we have
Long range
lamps –
Two good with
bulbs,
One with glass
off
One with glass
damaged

Boot carpet

Boot Cover

Two Mk1 door
mirrors - good

One Mk2 door
mirror – good

Headlamp unit
– good

One Mk1 door
mirror - new

For your delectation:

Nuts, black I bought when doing up a turbo.

Nuts shiny, I think for the rocker cover

Bolts, I recall during work on brake calipers

Cable, Clutch and also the nut and bolt for the pedal end

Headlamp adjusters, if you need them you know.

Rad drain plug, Rad thermostat, Oil sensor

On this page
Rear light cluster – average

Fuel pump 1.7 – working when removed

Info centre – spares only

Odds and ends pack – as is

Solenoids – believed to be ok

Electric aerial – I need to check it fits ok

Door card clips – ok one cracked

Distro cap - ok
